

The logo features the word "HIT" in large, bold, yellow, 3D-style letters with a slight shadow, set against a black rounded square background. Below "HIT", the letters "FM" are written in a smaller, white, bold, sans-serif font. The black square is positioned on a red background that also contains several overlapping, rounded yellow shapes, suggesting a stylized radio dial or a cluster of buttons.

**HIT**  
**FM**
